*Serefina™ comes standard with black paint finish.

DIMENSIONS

PRODUCTS AND DEALERS YOU CAN COUNT ON

Lennox is committed to providing you with the finest hearth products available. Choosing the right dealer for your hearth needs is as important as choosing the right brand, and our dealers are a big reason why you can count on getting quality customer service when you call.

NOTE: Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices subject to change or discontinuance without notice. Square-foot heating capacities are approximations only. Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect the overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, ceiling heights, climate, accessories chosen, appliance location and how the appliance is operated. Approved to U.S. and Canadian safety and performance standards—ANSI Z21.88/CSA 2.33-M98 vented gas fireplace heaters.
