VRE6000 SERIES

 SIGNATURE SERIES VENT-FREE GAS FIREBOXES

OUTDOOR

  
*Our name is our promise.*

TRADITIONAL

"Impressive" is the only way to describe these massive fireboxes. Designed for large, custom applications, the VRE6000 Signature Series Vent-Free Gas Fireboxes feature a 30" tall opening, long lasting stainless steel construction and beautiful Mosaic Masonry™ brick that represents a true masonry fireplace appearance.

**FEATURED** VRE6042 with Ivory Herringbone brick and VTDGT Series Giant Timbers gas log set

### IMPORTANT NOTES:

As with any fireplace, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, ceiling height, accessories chosen and appliance location.

Diagrams, illustrations and photographs are not to scale — consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
