

GAS INSERTS BY

REDISCOVER FIRE

WELCOME HOME.

Isn't this more like it?

Home should be a place you long for. A place you dream of after a hard day's work.

Hard work inspired the IronStrike brand. The IronStrike name signifies a product that is made to perform, built to last a lifetime and as efficient as you are. It's our way of making life simpler and a lot more enjoyable. Because coming home should be the easy part.

So go ahead—make yourself comfortable. You've earned it.

Madison Park™ CD shown with Contemporary face,
Porcelain interior and Sunset glass media.

THE CONVENIENCE OF GAS. ALL THE PERSONALITY OF FIRE.

And all at your command. Turning an existing fireplace into a renewed source of heat is easier than you might think. Our versatile line of gas inserts can have you watching the flames dance in no time.

ALL THE PERSONALITY OF FIRE.

Madison Park 34 shown with Black Contemporary face and Champagne brick panels.

CUSTOMIZE THE LOOK

With a Madison Park™ fireplace insert, you have the option to create a traditional masonry-style fireplace or a sleek contemporary look. Start by selecting a configuration. Each will have its own design options to choose from. Then select from an array of optional accessories to customize your fireplace.

REMOTE CONTROL

The standard Total Comfort Remote uses an integrated thermostat to keep your room at just the right temperature.

MADISON PARK

A warm glowing log set cast from real wood and the natural distribution of the flames create an amazingly realistic burn. And with high heat output and circulating blower, the Madison Park™ delivers exceptional warmth and comfort.

Madison Park™ shown with Decco facade and Champagne brick.

IMPORTANT NOTES:

As with any heating appliance, fireplace or stove, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer. Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.

*Square-foot heating capacities are approximations only. Local conditions such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.
