

Amazing fire presentation, efficient operation and quality construction come together to provide long-lasting warmth and unsurpassed beauty in a traditional hearth setting.

**LENNOX**  
HEARTH PRODUCTS

*HCI-36 shown with optional brass louvers and black bi-fold doors.*

Available in two sizes, the HCI and RDI Merit® Series wood-burning fireplaces present outstanding hearth views and remarkable fire presentations. Featuring reliable operation and durable components, these fireplaces are built to last. And the appearance of a custom masonry-built fireplace, featuring a clean and attractive design, is sure to add a touch of majesty to any home.

Standard brick liner

Herringbone brick liner

#### IMPORTANT NOTES:

As with any heating appliance, fireplace or stove, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Actual performance may vary depending upon home design and insulation, ceiling heights, climate, condition and type of wood used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.

Built to UL127/ULCS610 standards. Agency report numbers, local approvals, including WA State and NYC vary by model. Refer to specific installation instructions or our website for details.
