# EPI3T & EPI3C EPA Wood Burning Insert

Napoleon® adds to their wood burning collection with the new EPI3T & EPI3C EPA wood burning inserts. The EPI3T has a traditional flush front with a cast iron surround and the EPI3C has a contemporary flush front with a cast iron surround. The EPI3's give customers the option of a wood burning insert that will match any décor, whether it be traditional or contemporary.

Four stainless steel secondary air tubes supercharge the fuel burning process and generate a beautiful display of **YELLOW DANCING FLAMES™**. Complete with a removable painted black log retainer and a heat circulating blower, both the EPI3T & EPI3C are perfect heating solutions for your home or cottage.

## Product Features

- Up to 55,000 BTU's and heats up to 1,500 sq. ft.
- EPA certified to be one of the cleanest burning wood inserts available
